Congratulations to Mrs. Farnam's 4th grade classroom! Together they turned in the MOST Box Tops for Education – a total of 398! It was a close race with Mrs. Grewal's 5th grade class coming in 2nd with 344 Box Tops for Education. So close!

Ms. Harmon's 4th grade class came in 3rd place with 316! A total of 3,420 Box Tops for Education were submitted during this contest, which becomes a total of \$342 for our school. Great job everyone!

Thank you to everyone who participated and submitted Box Tops for Education. Keep clipping and save them for our next contest in February 2017.

ARE YOU "IN THE KNOW???"

Girls On The Run

The Guadalupe GOTR program is looking for 3 more coaches for the year. You do NOT have to be a runner or athlete in order to volunteer as a coach—just someone who wants to inspire girls to live healthy, joyful and confident lives!

Girls on the Run of Silicon Valley will train you to become a coach, provide all curriculum, full lesson plans and materials needed for the season and support you throughout the season

To volunteer, you need to:

Submit a coach application (available at www.gotrsv.org) and complete coach training in October and November, as well as be at all lessons during the season (March 6 through mid-May)

Please contact Girls on the Run Race Director Laura Krebs at laura@gotrsv.org for more information.
