

"HOW TO RAISE AN ADULT" DISCUSSION NIGHT

Break free of the overparenting trap and prepare your kid for success.

**GHSC SPEAKER NIGHT
WEDNESDAY, APRIL 3RD
FROM 6-8PM
IN THE CAFETERIA**

Come join us for an evening viewing of Julie Lythcott-Haims' TED Talk. Her talk is based on her book, which we will be discussing too, but it's not required reading.

We have free copies available for "check out" in the front office for a few weeks.

Having read the book or not, we will be munching on some sandwiches while we watch the TED Talk followed by a workshop-style discussion.

RSVP's ARE CLOSED
