

GUADALUPE'S DROP AND PICK-UP INFO

**STARTING
MONDAY MORNING
8/19/19**

Principal Jones and the Safety Team have created this DROP-OFF location at Guadalupe Elementary to improve traffic flow and increase safety. The drop-off area for students is located curbside along the Track/Field fence on Vera Cruz Drive. Typically this area is a parking area, but the rest of the school year "no parking" signs will be set up as a reminder. Please read over these guidelines.

- * The School Parking Lot will be open to teachers/buses/ handicap placard holders/car services.
- * Enter Drop-Off Zone from Monteverde Drive ONLY.
- * Please follow the directions provided by Traffic Safety members wearing yellow vests and look out for the traffic signs displayed along Vera Cruz & Coleman.
- * Drop-off your students curbside in the designated drop-off area only. Do not drop your student off in traffic.
- * Students will enter the school property through the open gate to the Track/Field.
- * Pull forward in the drop off zone as traffic flows.
- * Be patient when pulling away from drop-off zone, do not jump the line into oncoming traffic.
- * **All students must exit the vehicle at CURBSIDE ONLY.**
- * Backpacks need to be with your student(s), do not place backpacks in the trunk or front seat of the vehicle.
- * Parents, please stay in the car. If your students(s) need assistance, a Traffic Safety team member will assist.
- * Once your student(s) have exited the vehicle, please follow traffic flow out of drop-off zone. Do not wait to see if your student enters the gate.
- * Please do not make illegal u-turns on Vera Cruz and Coleman or at any of the 3-way intersections to beat the traffic.
- * The **WHITE ZONE** on Coleman is a pickup & drop off zone. Which means there is NO PARKING in white zones. This zone is used for dropping off and picking up their students at the curb with 5 minute limit; please use green or unmarked spots.
