Traffic Safety Update

The Traffic Safety team would like to thank all Guadalupe Parents for a smooth start to the Vera Cruz drop off system this year and for respecting the new signs marking the WHITE ZONE along Coleman Drive. We still see some dangerous choices made during drop off and pick-up on Vera Cruz and Coleman.

Reminders:

- Students should exit vehicles curbside ONLY.
- Please do not perform u-turns on Coleman Drive.
- No jaywalking with students, please use the crosswalk at all times.
- The WHITE ZONE is a 5 minute loading zone
- The RED CURBS are not a drop-off or parking area.
- STOP at stop signs unless directed by a crossing guard.
- Do not park across the street on Coleman & jaywalk with a student.
- Respect our neighbors - do not use their driveways for u-turns and do not block them.

If you would like to help with crossing guard duty or make suggestions, please [email trafficsafety.ghsc@gmail.com](mailto:email.trafficsafety.ghsc@gmail.com)

Help Needed

GHSC needs a few more helpers to take the lead. Please contact directory.ghsc@gmail.com if you can help.
