GHSC Grant Request

The Guadalupe Home & School Club (GHSC) is a parent-run, non-profit organization. Our mission is dedicated to enhancing the educational experience of every Guadalupe Elementary student. Every year we utilize fundraising, sponsors, and grants to help raise the necessary funds to bring several programs to meet our goals.

A generous grant from your organization will bring us one step closer to achieving our goal each school year. Here is a detailed list of the programs that GHSC is tasked to bring into the classroom.

- **Starting Arts:** A inclusive program providing Music, Drums, Dance & Theater.
- **Recess 101:** An ultimate recess environment that embraces a safe, healthy, and fun-petitive playground interaction.
- **Ceramics Program:** This program is parent volunteer run and produces over 18 projects each year in the classroom.
- **Project Cornerstone:** A parent volunteer reading program in the classroom to promote positive relationships, opportunities, values and skills.
- **Art Vistas:** In-class curriculum focused on Art history, fundamental elements, and principles of art.

With GHSC non-profit status, we run on a year-to-year, zero balance budget. Each year we look to organizations/businesses that offer grant programs to help meet our goals. We offer our gratitude and support to our donors and sponsors with communication to the 1000+ parents (members of the GHSC) and to our Silicon Valley community. If you have any questions regarding our organization or the programs we offer our students, please feel free to contact our Sponsorship Team.
