TELL THE WORLD!

Quickly Share Your Child's Fundraising Page

Share on Facebook, Instagram and Twitter or send an email to family and friends from your Child's Fundraising Page! Your student donation page URL can be obtained by clicking the EMAIL BUTTON on your donation page.

Reach your goal early? Why not raise more funds?

If your Child quickly reaches the initial goal, consider increasing the goal on his/her page. New visitors will be encouraged to continue donating and collectively, we can achieve our school's fundraising goal.

Promote your donation page throughout the Read-a-thon to keep donations coming in.

Please refer to the PROMOTION SECTION of the Walkathon Guideline page.

IF YOU ARE CURIOUS. . .

You can choose to receive an email when donations are made on your Child's page. You can also go to your Child's page for updates.

Your Child's fundraising webpage is private and secure! His/her fundraising page can only be accessed by the people to whom you send direct links to.

All donors receive a receipt along with an email thanking them for their donation and itemizing the donation on their receipt.
