

WELCOME

NEW GUADALUPE FAMILIES

A message from Principal Barocio

It is my pleasure to welcome you into the 2023-24 school year and into our learning community. Together we will continue to foster a purposeful caring environment where all children are meeting their academic goals, have healthy relationships, and have a deep sense of belonging allowing them to dream big and reach their full potential. If we have not met, please do not hesitate to stop by to introduce yourself and share something you love about our Guadalupe learning community.

SUPPORTING YOUR NEW GRIZZLIES

As public education budgets decline at the county and state levels, we look to our Guadalupe families and the community to help support our school programs. Each year the Guadalupe Home and School Club hosts two major fundraisers.

Classroom Giving Drive

Your donation to this drive goes directly to your student(s) classroom to fund field trips, class activities & school-wide programs that are not covered by GHSC Budget.

Grizzly Walkathon

Our largest fundraiser of the school year covers a large portion of the GHSC budget that pays for added programs like Starting Arts, Outdoor Learning Areas, and much more.

DISTRICT
CALENDAR

Volunteering On Campus?

- If you have never volunteered on campus before, visit the office to be setup on the Raptor System.
- All guests need to check in at front office before walking onto campus during school hours.
- Parents and guests are required to wear printed badges while on campus.
