Does Your Employer Match?

See if your employer will match your donation!

Let's Check

All information provided by
Double the Donation

More info on Employer Matching

There's a GREAT chance you work for a company that matches your charitable contributions and hours volunteering at school. Both of these are excellent opportunities to support your student and the rest of the Guadalupe family. These are very EASY and FREE ways to support Guadalupe, so this is a win-win situation! *Be sure to submit your company matching request within the same calendar year; 12/31 is the final submission deadline.*

Company Matching Programs are excellent programs where employers will match employees' charitable contributions. Employee matching gifts are often dollar-for-dollar, but some companies will double or even triple the original donation.

Volunteer Support Programs, sometimes called "Dollars for Doers" or Individual Volunteer Grants, essentially reward employees who donate their time to Guadalupe & the GHSC. Guidelines and amounts vary with each company.

(More information on these programs can be obtained from your human resources department.)
